### About me

I am presently in my second year, pursuing a Bachelor of Science in Information Technology (B.Sc. IT) from the University of Mumbai. With a profound interest in technology, I am eagerly anticipating securing an internship to enhance my skills and knowledge.

### Experience

#### **COSMIC365.AI** | Associate Intern

April 2024 - May 2024

- Created compelling product content on Wix and designed visuals using Canvas.
- Conducted insightful case studies and optimized SEO strategies for enhanced visibility.
- Utilized Power Automate for workflow automation, ensured content quality, sourced logos, and conducted data scraping for comprehensive research.
